

## Please tell us about your job and working environment

...

What is your job?

This needs to be your main job - in other words, the one you spend most time doing. If you can't find your exact job, try describing your job differently, or pick the closest match.

...

What is your annual income?

£  per year

This is your taxable income. You can include overtime, commission and bonuses but you can't include income from investments. Don't include any income that would continue if you can't work. If you're self employed, please tell us your taxable income - in other words earnings after costs and before tax.

...
